

Meet Cindy Galemore RN, MEd, NCSN

I currently serve as Director of Health Services for Olathe District Schools which employs over 50 school nurses. My primary responsibilities include overseeing student health services including policy development and departmental procedures, orientation of new staff, compliance with state regulations, coordinating care, and serving as a liaison to many district and community groups. Additionally, I have responsibility for the Employee Wellness Program and serve as administrator for the North Lindenwood Support Building. I have been in school nursing since 1991, obtained my Master's in Health Education from University of Kansas in 1999 and became nationally certified in 2000. I am a past president of KSNO and served as the Kansas Director to NASN (2002-2006) in addition to a former chair of the NASN Bylaws Committee.
