

## Meet Jane Handlos

I received a BSN from the University of Maryland while serving in the U.S. Army. Since that time I have completed the School Nurse Certification program through Ft. Hays State University and completed Masters programs in Adult Education and Physical Education through Kansas State University.

I have been a school nurse with the Geary County Schools in Junction City, Kansas since 1991. I worked with the Pre-K programs for a number of years and the last 5 years have been assigned to two elementary buildings. My current responsibilities also include serving as the School Nurse Coordinator for our school district.

Soon after becoming a school nurse I joined KSNO. I have served as a Member-at-Large on the KSNO Board and currently am the Webmaster Chair.
