

Meet Chris Tuck, RN, MS, NCSN

I began my school nursing career in 1991 in the Seaman USD #345 school district in Topeka. I left school nursing in 2002, and was the Child and Adolescent School Health Consultant for Kansas Department of Health & Environment, and returned to school nursing in 2004. I am a full time school nurse and the Health Services Director for the Seaman school district. I obtained my Master's in Health Services Administration in 2003 and was Nationally Certified in 2006. I have been active in KSNO since 1991 and have served on the board as Member at Large, Legislative Chair, Membership/Publicity Chair and President (2008-2010).
