

Kansas State Department of Education's Vending Machine Requirements

The Kansas State Department of Education has taken action to limit foods and beverages sold in school vending machines. They are requiring all schools to meet the Advanced level of the Kansas School Wellness Policy Plan by August 1st, 2010 and the Exemplary level by August 1, 2011. For more information visit the KSDE, Child Nutrition & Wellness website at: http://www.kn-eat.org/SNP/SNP_Menus/SNP_Guidance_Wellness_Policies.htm
