

## **Sample Kansas School Agreement for Consulting Pharmacist in Order to Maintain Epinephrine Kit**

**According to K.A.R. 72-8258. Epinephrine kits; requirements.** Any accredited school may maintain an epinephrine kit. An epinephrine kit may consist of one or more doses of epinephrine. Epinephrine from an epinephrine kit shall be used only in emergency situations when the person administering the epinephrine reasonably believes that the signs and symptoms of an anaphylactic reaction are occurring and if administered at school, on school property or at a school-sponsored event. A school may not maintain an epinephrine kit unless the school has consulted with a pharmacist licensed by the state board of pharmacy. The consultant pharmacist shall have supervisory responsibility for maintaining the epinephrine kit. The consultant pharmacist shall be responsible for developing procedures, proper control and accountability for the epinephrine kit. Periodic physical inventory of the epinephrine kit shall be required. An epinephrine kit shall be maintained under the control of the consultant pharmacist.

**History:** L. 2009, ch. 102, § 2; July 1.

**65-2872b. Same; administration of epinephrine; limitation of liability.**

(a) The practice of the healing arts shall not be construed to include any person administering epinephrine in emergency situations to a student or a member of a school staff if:

- (1) The person administering the epinephrine reasonably believes that the student or staff member is exhibiting the signs and symptoms of an anaphylactic reaction;
- (2) a physician has authorized, in writing, the school to maintain a stock supply of epinephrine; and
- (3) The epinephrine is administered at school, on school property or at a school-sponsored event.

(b) Any person who gratuitously and in good faith renders emergency care or treatment through the administration of epinephrine to a student or a member of a school staff at school, on school property or at a school-sponsored event shall not be held liable for any civil damages as a result of such care or administration or as a result of any act or failure to act in providing or arranging further medical treatment where the person acts as an ordinary reasonably prudent person would have acted under the same or similar circumstances.

**History:** L. 2009, ch. 102, § 1; July 1.

**Name of School** (e.g. district, private/parochial school):

**Name of Consulting Pharmacist:**

The above named pharmacist is licensed by the Kansas State Board of Pharmacy and agrees to serve as consulting pharmacist responsible for maintaining of the epinephrine kits including:

- Developing procedures for proper control and accountability of the kit(s)
- Periodic physical inventory of the epinephrine kit(s)

The above named school shall designate an employee responsible for coordinating of the program with the consulting pharmacist. The responsible employee shall:

- Maintain a log of epinephrine kit serial number(s) and expiration date(s) by location
- Replace expired epinephrine kit(s) and provide updated log to consulting pharmacist
- See that epinephrine kit(s) procedures are followed as established by the consulting pharmacist and the physician authority governing the use of the kit(s) (Refer to separate physician authority document)
- Notify consulting pharmacist of and physician authority of every use of the epinephrine kit and the circumstances surrounding the use
