

School Nurses

NASN Diabetes Resources Available for Your Practice

1. Diabetes in Children – NASN webpage

<http://www.nasn.org/ToolsResources/DiabetesinChildren>

2. Online Continuing Education – Diabetes Management Series (free to members - \$15 non-members) 1.0 CNE Each - *Insulin Update, Introduction to Carbohydrate Counting*

<http://www.nasn.org/ContinuingEducation/OnlineContinuingEducation>

3. **New Publication** - *Managing Diabetes at School: Tools for the School Nurse* – (\$38 for members - \$48 for non-members).

This 220 page spiral manual is accompanied by a disc containing forms in PDF and WORD formats, and is adapted from NASN's H.A.N.D.S.sm (Helping Administer to the Needs of the Student with Diabetes in School) program. It includes **3 new IHPs**, procedures, skills checklists, and documentation forms.

4. *School Health Office Documentation Record (SHODR) Forms -packs of 10 (\$6 for members - \$11 for non-members)* – This tri-fold form on heavy stock paper is designed to be a comprehensive documentation tool for a student's daily diabetes management. When you purchase the Tools for the School Nurse publication you receive 2 SHODR forms. Purchase packs of 10 for additional students.
